

# ***ALDO VAN EYCK ARCHITECTURE TOUR***

*A world of light, colour and curved spaces by the famous Dutch architect*

## ***WHAT***

Tour of the iconic architecture by the influential architect Aldo van Eyck. Enter a world of art, light, colour and curved spaces in the main buildings at ESA ESTEC that are not accessible to the public. Group: 12-35 p. Duration: 2,5-3 hours.

## ***FOR***

Architects, urban planners, project developers, real estate agents, students interested in post modern architecture, structuralism and the humanistic approach.

## ***PROGRAMME***

A presentation about the architect Van Eyck, his design philosophy and a walking tour around and through the office towers, library, conference rooms, restaurant and more. See how he combines structuralism, art, colour, flowing spaces and humanism. Ending with drinks and snacks in these surroundings is an extra option.
